

The 2009 U.S. Environmental Protection Agency Workshop on Innovative Approaches for Detecting Microorganisms and Cyanotoxins in Water

EPA Region 3 Offices
1650 Arch Street
Philadelphia, PA

May 20-21, 2009

LOGISTICS

MEETING LOCATION

EPA Region 3 Regional Offices
1650 Arch Street
Philadelphia, PA 19103-2029
Telephone: 800-438-2474

Note: A photo ID is required to enter the EPA Region 3 Regional Offices. Upon entering the building all visitors will be screened at the security checkpoint (procedures will be similar to airport security procedures). All visitors will need to be escorted to the meeting room, once receiving their visitor badges.

DIRECTIONS

From Philadelphia International Airport by Rail:

There is a [SEPTA Regional Rail](#) "R-1 train" that goes from the airport to center city Philadelphia. Take any R-1 train. The fare is about \$5.00, which you can pay on the train. Purchase a round-trip ticket if you are going back via the train. Get off at the Suburban Station stop (16th Street and JFK Boulevard). Exit the train and go up to the concourse level. Walk through the concourse toward 17th and Arch Streets and take the steps up to the street level (across from the regional rail ticket booths). The U.S. EPA Region 3 Building is at 17th and Arch Streets (1650 Arch Street - Tall greenish glass with a white metal structure).

From the South or Philadelphia International Airport via Interstate I-95:

Take I-95 North; you will pass the Naval Base, Stadiums, and Columbus Boulevard exits. Then exit off I-95 North on the left-hand side of the expressway at the I-676/Callowhill exit ramp (Exit 22). Stay to the left side of the ramp and follow signs to I-676 West. Once on I-676, drive about 1/2 mile and take the Broad Street/15th Street exit. This exit will drop you off onto 15th Street going south. Drive 3 blocks (fourth traffic light) and make a right onto Arch Street (stay to the left side). Drive 2 blocks. The building is on the left at 17th and Arch Streets. (1650 Arch Street - Tall greenish glass with a white metal structure).

From the North via Interstate I-95:

You will pass the Girard Avenue exit as you travel southbound on I-95. Take the I-676 West/Callowhill exit ramp (Exit 22). Stay to the left side of the ramp and follow signs for I-676 West. Once on I-676 West, drive about 1/2 mile and exit at the Broad Street/15th Street exit. This exit will drop you off onto 15th Street going south. Drive 3 blocks, and at the fourth traffic light make a right onto Arch Street (stay to the left side). Drive 2 blocks. The building will be on the left at 17th and Arch Streets (1650 Arch Street - Tall greenish glass with a white metal structure).

From the West via the Pennsylvania Turnpike:

Exit the PA Turnpike at the Valley Forge Exit (Exit 326). Do not exit after the toll booth. This road is I-76 eastbound to Philadelphia (Schuylkill Expressway). Drive about 10 miles. As you pass Boat House Row and the Art Museum, stay left and exit onto I-676 Eastbound. Take the second exit (about 1 mile), which is the Broad Street/15th Street exit. Make a right onto 15th Street as you come up the ramp. Drive 3 blocks and make a right onto Arch Street (stay to the left side). Drive 2 blocks. The building is on the left at 17th and Arch Streets (1650 Arch Street - Tall greenish glass with a white metal structure).

From Southern New Jersey via I-295 North or Route 42 West:

Take I-295 North or Route 42 West to I-76 West toward the Ben Franklin Bridge/Camden. Stay in the far right outside lanes and follow signs for I-676 North (Exit 2 Camden/Ben Franklin Bridge). Take I-676 to the Ben Franklin Bridge (\$3.00 toll to leave NJ, free to enter NJ). As you come off the Ben Franklin Bridge and approach the traffic light, stay in the center lanes. Keep going straight and follow the signs for I-676 again. Once on I-676, drive about 1/2 mile and exit at the Broad Street/15th Street exit. This exit will drop you off onto 15th Street going south. Drive 3 blocks, and at the fourth traffic light

make a right onto Arch Street (stay to the left side). Drive 2 blocks. The building is on the left at 17th and Arch Streets (1650 Arch Street - Tall greenish glass with a white metal structure).

From New York via I-295 South or the New Jersey Turnpike:

Take NJ Turnpike Exit 4 or Route I-295 to Route 73 westbound. Stay on Route 73 westbound for about 3 miles; the exit is on the left side. Follow the signs for the Betsy Ross Bridge (\$3.00 toll to leave NJ, free to enter NJ). Take the Betsy Ross Bridge directly to I-95 South, Philadelphia. Once on I-95 southbound, you will pass the Girard Avenue exit. Then take the I-676 West/Callowhill exit ramp (Exit 17). Stay to the left side of the ramp and follow signs to I-676 West. Once on I-676 West, drive about 1/2 mile and exit at the Broad Street/15th Street exit. This exit will drop you off onto 15th Street going south. Drive 3 blocks, and at the fourth traffic light, make a right onto Arch Street (stay in the left lane). Drive 2 blocks. The building is on the left at 17th and Arch Streets (1650 Arch Street - Tall greenish glass with a white metal structure).
